

SPORTS SPECIFIC SAFETY GUIDELINES AND CONSENT

GOLF

North Kitsap School District strives to protect each student from possible injury while engaging in school activities. The guidelines and information identified below have been established for this activity in order to protect the student and others from injury and/or illness. Participants and their parents should recognize that conditioning, nutrition, proper techniques, safety procedures, and well-fitting equipment are important aspects of this training program. Each participant is expected to follow the directions/standards of the coach and must understand that failure to follow such directions or adhere to standards may place the participant at risk.

Travel to and from off-campus facilities shall be in accordance with the directions of the activity coach.

Guidelines are as follows:

1. Make certain that you wear all equipment that's issued by the coach. Advise the coach of any poorly-fitted or defective equipment.
2. Advise the coach if you are ill or have any prolonged symptoms of illness.
3. Advise the coach if you have been injured.
4. Engage in warm-up activities prior to strenuous participation.
5. Be alert for any physical hazards or other hazards in the locker room or in or around the participation area. Advise coach of any hazard or concern.
6. Before swinging a club, make certain that the area around you is clear of others. Be careful after hitting not to throw the club as you could injure someone.
7. Be aware of the danger of standing in front of or on the side of a person who is attempting to hit the ball, as one may be injured by the ball or by the rebounding of the ball from trees, signs, markers, etc.
8. Be aware at all times of other players' positions on the course when you are hitting or when they are hitting. You are vulnerable at all times. Do not hit the ball until proper distance is available between golfing groups. If you observe a ball off course, make any nearby group aware of its existence by shouting or other appropriate means.
9. Keep hands and grips dry to minimize the danger of clubs being released.

The above information has been explained to me and I understand the list of rules and procedures. I also understand the necessity of using the proper techniques while participating in the golf program.
