2. The Board has delegated to the superintendent and/or his or her designee(s) the authority to impose suspensions and expulsions upon students for misconduct that violates rules of the District. Each certificated teacher and administrator has the authority to recommend suspensions and expulsions for such misconduct.
3. Each classroom teacher may exclude any student who creates a disruption of the educational process in violation of the building disciplinary standards while under the teacher’s immediate supervision from his or her individual classroom or instructional or activity area for all or any portion of the balance of the school day or until the principal or designee and teacher have conferred, whichever occurs first, in accordance with RCW 28A.600.020. Except in emergency circumstances as provided for in the section on “Classroom Exclusion,” below, the teacher will have first attempted one or more alternative forms of discipline. In addition, in no event will an excluded student be returned during the balance of the particular class or activity period from which the student was initially excluded without the consent of the teacher. If a student is excluded from the classroom or instructional or activity area for more than the balance of the school day, the District will follow the procedures for a suspension, expulsion, or emergency expulsion as described below.
4. The District will not administer corporal punishment, including any act that willfully inflicts or willfully causes the infliction of physical pain on a student. Exceptions are defined in Chapter 392-400 WAC.
5. All students will remain free from unreasonable restraint, restraint devices, isolation, and other uses of physical force, as provided in Policy 3246 and Procedure 3246P.

 - a. Duration: A classroom exclusion may be administered for all or any portion of the balance of the school day in which the student was excluded from the student's classroom or instructional or activity area. 4. **Reengagement Opportunity:** For long-term suspensions and expulsions only (but not emergency expulsions), before the appeal hearing, the student, parents, and District may agree to hold a reengagement meeting and develop a reengagement plan. The student, parents, and District may mutually agree to postpone the appeal hearing while participating in the reengagement process.
5. **Appeal Hearing:** The District will hold an appeal hearing within the following periods, unless otherwise agreed to by the student and parents:
 - a. For long-term suspensions and expulsions, within three (3) school business days from the date the superintendent or designee received the appeal request.
 - b. For emergency expulsions, as soon as reasonably possible, but within two (2) school business days after the date the superintendent or designee received the appeal request.
6. **Presiding Official:** A hearing officer (who may be a District employee or contractor) will hear and decide appeals. The hearing officer may not be involved in the student's behavioral violation or decision to long-term suspend, expel, or emergency expel the student and will be knowledgeable about state discipline rules and the District's discipline policies and procedures.
7. **Evidence and Witnesses:**
 - a. Upon request, the student, parents, and District may inspect any documentary or physical evidence and a list of any witnesses that will be introduced at the appeal hearing. The District, student, or parents must make the information available as soon as reasonably possible, but no later than the end of the school business day before the appeal hearing.
 - b. Upon request, the student and parents may review the student's education records. The District will make the records available as soon as reasonably possible, but no later than the end of the school business day before the appeal hearing.
 - c. If a witness for the school district cannot or does not appear at the appeal hearing, the hearing officer may excuse the witness' nonappearance if the District establishes that: (i) the District made a reasonable effort to produce the witness; and (ii) the witness' failure to appear is excused by fear of reprisal or another compelling reason.
8. **Student and Parent Rights:** During the appeal hearing, the student and parents have the right to:
 - a. Be represented by legal counsel;
 - b. Question witnesses;
 - c. Share the student's perspective and provide explanation regarding the behavioral violation; and
 - d. Introduce relevant documentary, physical, or testimonial evidence.

9. **Hearing Record:** The appeal hearing will be recorded by manual, electronic, or other type of recording device. The District will provide the recording to the student or parents upon request.
10. **Appeal Decision:** The hearing officer will base the decision solely on the evidence presented at the hearing. The hearing officer will provide a written decision to the student and parents in person, by mail, or by email within the following time limits: for long-term suspensions and expulsions, within three (3) school business days after the appeal hearing; and for emergency expulsions, within (1) school business day after the appeal hearing. The written decision will include:
 - a. Findings of fact;
 - b. For long-term suspensions and expulsions only (but not emergency expulsions):
 - i. A determination whether: the student's behavior violated the rules of student conduct described in Procedure 3241P; the behavioral violation reasonably warrants the suspension or expulsion and the length of the suspension or expulsion; and the suspension or expulsion is affirmed, reversed, or modified.
 - ii. The duration and conditions of the suspension or expulsion, including the dates on which the suspension or expulsion will begin and end;
 - iii. Notice of the opportunity to participate in a reengagement meeting and the contact information for the person who will coordinate scheduling of the reengagement meeting.

 - i. A determination whether the student's presence continues to pose: an immediate and continuing danger to students or school personnel; or an immediate and continuing threat of material and substantial disruption of the educational process.

If the District converts the emergency expulsion to a suspension or expulsion, the District will provide the student and parents notice and due process otherwise required by this procedure for the type of suspension or expulsion imposed.
 - d. Notice of the student's and parents' right to request review and reconsideration of the appeal decision, including where and to whom to make the request;
11. **Language Assistance:** The District will ensure that the notice, appeal proceedings, and decision are provided in a language the student and parents understand, which may require language assistance for students and parents with limited-English proficiency.

D. Pending Appeal

1. If the student or parents request an appeal of a long-term suspension or expulsion, the District may temporarily continue to administer the suspension or expulsion during the appeal period subject to the following requirements:

- a. The District may temporarily continue to administer the suspension or expulsion for no more than ten (10) consecutive school days from the initial hearing or until the appeal is decided, whichever is earlier;
- b. Any days that the student is temporarily suspended or expelled before the appeal is decided will be applied to the term of the student's suspension or expulsion and may not extend the term of the student's suspension or expulsion;
- c. If the student who is temporarily suspended or expelled returns to school before the appeal is decided under this section, the District will provide the student an opportunity to make up assignments and tests missed during the suspension or expulsion upon the student's return.

E. Review and Reconsideration

1. Review and Reconsideration of Suspensions and Non-Emergency Expulsions
 - a. Request for Review: The student or parents may request that the Board of Directors review and reconsider the hearing officer's decision. The student or parents may request the review orally or in writing.
 - b. Time Limit: The appeal must be received by the superintendent's office within ten (10) school business days from the date the District provides the written appeal decision to the student and parents.
 - c. Review Procedure:
 - i. In reviewing the hearing officer's decision, the Board will consider all documentary and physical evidence related to the behavioral violation, any records from the appeal, relevant state law, and the District's discipline policy.
 - ii. The Board may request to meet with the student or parents, the principal, witnesses, or school personnel to hear further arguments and gather additional information.
 - iii. The decision of the Board will be made only by members who were not involved in the behavioral violation, the decision to suspend or expel the student, or the hearing officer's decision.
 - d. Decision: The Board will provide a written decision to the student and parents in person, by mail, or by email within ten (10) school business days after receiving the request for review and reconsideration. The written decision will identify:
 - i. Whether the Board affirms, reverses, or modifies the suspension or expulsion;
 - ii. The duration and conditions of the suspension or expulsion, including the dates on which the suspension or expulsion will begin and end; and
 - iii. For long-term suspensions or expulsions only, notice of the opportunity to participate in a reengagement meeting.
 - e. Language Assistance: The District will ensure that any review proceedings and

decision are in a language the student and parents understand, which may require language assistance for students and parents with limited-English proficiency.

2. Review and Reconsideration of Emergency Expulsions

- a. Request for Review: The student or parents may request that the Board of Directors review and reconsider the hearing officer's appeal decision. The student or parents may request the review orally or in writing.
- b. Time Limit: The appeal must be received by the superintendent's office within five (5) school business days from the date the District provides the written appeal decision to the student and parents.
- c. Review Procedure:
 - i. In reviewing the hearing officer's decision, the Board will consider all documentary and physical evidence related to the behavioral violation, any records from the appeal, relevant state law, and the District's discipline policy.
 - ii. The Board may request to meet with the student or parents, the principal, witnesses, or school personnel to hear further arguments and gather additional information.
 - iii. The decision of the Board will be made only by members who were not involved in the behavioral violation, the decision to suspend or expel the student, or the hearing officer's decision.
- d. Decision: The Board will provide a written decision to the student and parents in person, by mail, or by email within five (5) school business days after receiving the request for review and reconsideration. The written decision will identify:
 - i. Whether the Board affirms or reverses the District's decision that the student's presence posed an immediate and continuing danger to students or school personnel or an immediate and continuing threat of material and substantial disruption of the educational process.
 - ii. If the emergency expulsion has not yet ended or been converted, whether the District will end the emergency expulsion or convert the emergency expulsion to a suspension or expulsion. If the District converts the emergency expulsion to a suspension or expulsion, the District will provide the student and parents notice and due process otherwise required by this procedure for the type of suspension or expulsion imposed.
- e. Language Assistance: The District will ensure that any review proceedings and decision are in a language the student and parents can understand, which may require language assistance for students and parents with limited-English proficiency.

IV. READMISSION DURING SUSPENSION OR EXPULSION

Any student who has been suspended or expelled will be allowed to make application for readmission at any time. The application must be submitted to the principal of the school which

the student wishes to attend. The application will include:

- A. An essay stating the reasons the student wants to return and why the request should be considered;
- B. Evidence that supports the request;
- C. A supporting statement from the parent or others who may have assisted the student;
- D. Evidence the student has made an effort to keep up with his or her studies;
- E. Documentation of volunteer work and other efforts to make amends; and
- F. If the expulsion was drug or alcohol-related, a copy of a drug and alcohol assessment and evidence of follow-up to the recommendations in that assessment.

The principal will consider the application, consult with the superintendent or designee, and advise the parent and student of his or her decision in writing within five (5) school business days of receipt of such application. Readmission may be contingent upon any reasonable condition proposed by the principal, subject to the limits on behavior agreements, below.

The readmission process is separate and distinct from any reengagement meetings conducted by the District as required by state law, Chapter 28A.600 RCW. (See Section VII, below.)

V. BEHAVIOR AGREEMENTS

The District may enter into behavior agreements with students and parents in response to behavioral violations, including agreements to reduce the length of a suspension, conditioned on the participation in treatment services, made in lieu of suspension or expulsion, or holding a suspension or expulsion in abeyance. The District will ensure that a behavior agreement does not waive a student's opportunity to participate in a reengagement meeting or receive educational services under this procedure. The duration of behavior agreements will not exceed the length of an academic term.

Nothing precludes the District from administering discipline for behavioral violations that occur after it enters into an agreement with the student and parents.

The District will ensure any behavior agreement under this section is provided in a language the student and parents understand.

VI. EDUCATIONAL SERVICES

- A. During the suspension, expulsion, or emergency expulsion of a student, the District will provide him or her the opportunity to receive educational services. The educational services must enable the student to continue to participate in the general educational curriculum; meet the educational standards established by the District; and complete subject, grade-level, and graduation requirements.
- B. When providing a student the opportunity to receive educational services, the District will consider:
 - 1. Meaningful input from the student, parents, and the student's teachers;

2. Whether the student's regular educational services include English language development services, special education, accommodations and related services under Section 504 of the Rehabilitation Act of 1973, or supplemental services designed to support the student's academic achievement; and
 3. Access to any necessary technology, transportation, or resources the student needs to participate fully in the educational services.
- C. The District may provide educational services to the student in an alternative setting or modify the suspension or expulsion on a case-by-case basis. An alternative setting should be comparable, equitable, and appropriate to the regular education services a student would have received without the exclusionary discipline. Example alternative settings include alternative high schools, one-on-one tutoring, and online learning.
- D. As soon as reasonably possible after administering a suspension or expulsion, the District will provide written notice to the student and parents about the educational services the District will provide. The District will provide the written notice in person, by mail, or by email. The notice will include a description of the educational services that will be provided and the name and contact information for the school personnel who can offer support to keep the student current with assignments and course work.
- E. For students subject to suspension or emergency expulsion for up to five (5) consecutive school days, the District will provide at least the following:
1. Course work, including any assigned homework, from all of the student's regular subjects or classes.
 2. Access to school personnel who can offer support to keep the student current with assignments and course work for all of the student's regular subjects or classes.
 3. An opportunity for the student to make up any assignments and tests missed during the period of suspension or emergency expulsion.
- F. For students subject to suspension or emergency expulsion for six (6) to ten (10) consecutive school days, the District will provide at least the following:
1. Course work, including any assigned homework, from all of the student's regular subjects or classes.
 2. Access to school personnel who can offer support to keep the student current with assignments and course work for all of the student's regular subjects or classes. School personnel will make a reasonable attempt to contact the student or parents within three (3) school business days following the start of the suspension or emergency expulsion and periodically thereafter until the suspension or emergency expulsion ends to:
 - a. Coordinate the delivery and grading of coursework between the student and the student's teacher(s) at a frequency that would allow the student to keep current with assignments and course work for all of the student's regular subjects or classes; and
 - b. Communicate with the student, parents, and the student's teacher(s) about the

student's academic progress.

3. An opportunity for the student to make up any assignments and tests missed during the period of suspension or emergency expulsion.
- G. For students subject to expulsion or suspension for more than ten (10) consecutive school days, the District will provide educational services in accordance with WAC 392-121-107.
- H. The District will ensure that notices and communications required above are provided in a language the students and parents understand.

VII. REENGAGEMENT

- A. Reengagement Meetings: When the District long-term suspends or expels a student, it will convene a reengagement meeting with the student and parents to discuss a plan to reengage the student, subject to the following requirements:
1. The District will communicate with the student and parents to schedule the meeting time and location before convening the meeting.
 2. The meeting will occur either (i) within twenty (20) calendar days of the start of the long-term suspension or expulsion, but no later than five (5) calendar days before the student returns to school, or (ii) as soon as reasonably possible, if the student or parents request a prompt reengagement meeting.
 3. Reengagement meetings do not replace an appeal hearing or a petition for readmission.
- B. Reengagement Plans: The District will collaborate with the student and parents to develop a culturally sensitive and culturally responsive reengagement plan tailored to the student's individual circumstances to support the student in successfully returning to school. In developing a reengagement plan, the District will consider:
1. The nature and circumstances of the incident that led to the student's suspension or expulsion;
 2. As appropriate, the student's cultural history and context, family cultural norms and values, community resources, and community and parent outreach;
 3. Shortening the length of time that the student is suspended or expelled;
 4. Providing academic and nonacademic supports that aid in the student's academic success and keep the student engaged and on track to graduate; and
 5. Supporting the student, parents, or school personnel in taking action to remedy the circumstances that resulted in the suspension or expulsion and preventing similar circumstances from recurring.
- C. Documentation: The District will document the reengagement plan and provide a copy of the plan to the student and parents.
- D. Language assistance: The District will ensure that the reengagement meeting and plan are in a language the student and parents understand, which may require language assistance for students and parents with limited-English proficiency.

VIII. FIREARM VIOLATIONS

- A. Pursuant to state law (RCW 28A.600.420), the following rules apply when a student commits a firearm violation, which is defined below:
1. The District will expel a student for no less than one (1) year if it has determined that the student has carried or possessed a firearm on school premises, school-provided transportation, or areas of facilities while being used exclusively by public schools. The District superintendent may modify the expulsion on a case-by-case basis.
 2. The District may suspend or expel a student for up to one (1) year if the student acts with malice, as defined under RCW 9A.04.110, and displays an instrument that appears to be a firearm on school premises, school-provided transportation, or areas of facilities while being used exclusively by public schools.
- B. The following are exceptions not constituting firearm violations:
1. Any student while engaged in military education authorized by the District in which rifles are used;
 2. Any student while involved in a convention, showing, demonstration, lecture, or firearms safety course authorized by the District in which the rifles of collectors or instructors are handled or displayed; or
 3. Any student while participating in a rifle competition authorized by the District.

IX. DETENTION

For minor infractions of school rules, regulations, or for minor misconduct, staff may detain students after school hours for not more than two (2) hours without seeking prior parent permission (as an “other form of discipline,” as defined above). Detention will not begin until the parents have been notified (except in the case of an adult student) for the purpose of informing the parents of the reason for the detention and to permit the parents to make arrangements for the necessary transportation of the student when he or she has been detained after school hours for discipline.

Preceding the assignment of such discipline, the staff member will inform the student of the nature of the offense charged and of the specific conduct that allegedly constitutes the violation. The student will be afforded an opportunity to explain or justify his or her actions to the staff member. Students detained for discipline will be under the direct supervision of the staff member or another member of the professional staff. The time that the student spends for such discipline will be used constructively.

X. VICTIM PROTECTION

In accordance with RCW 28A.600.460, the District may preclude a student from returning to the student’s regular educational setting following the end date of a suspension or expulsion for the purpose of protecting victims of certain offenses, as follows:

- A. A student committing an offense under RCW 28A.600.460(2), when the activity is directed toward the teacher, will not be assigned to that teacher’s classroom for the duration of the student’s attendance at that school or any other school where the teacher is assigned.

-
- B. A student who commits an offense under RCW 28A.600.460(3), when directed toward another student, may be removed from the classroom of the victim for the duration of the student's attendance at that school or any other school where the victim is enrolled.

XI. STUDENT CONDUCT EXPECTATIONS DEFINED

1. Alcohol, Drugs, and Mind-Altering Substances – Students will not possess, use, show evidence of having consumed, distribute, sell, or solicit or facilitate the sale of alcohol, drugs, mind-altering substances, medication not prescribed by a physician and approved in writing by the student's parent/guardian, or drug paraphernalia (or any item which purports to be such). While in attendance at school or school-sponsored events, students must remove themselves immediately from any situation where alcohol or drugs are being possessed or consumed.
2. Alteration of Records – Students will not falsify, alter, or destroy school records or any communication between home and school.

5. Athletic/Activity Code Violations – Students who participate in the interscholastic athletic program will conform to specific conduct standards established by the District, principals, athletic directors, and coaches and the rules and regulations of the Washington Interscholastic Activities Association (WIAA). A student who is found to be in violation of any athletic/activity rule is subject to removal from the team. 6. Attendance (Absences and Tardiness) – All students are expected to attend scheduled classes and activities daily in accordance with state law and District Policy 3122 and Procedure 3122P, unless officially excused by the designated person(s) at the school building. Students are also expected to be punctual in arriving at school and to each of their classes. Excessive and/or unexcused tardiness and/or absenteeism, regardless of the reason, may result in loss of credit and/or discipline, although students will not be suspended or expelled due to tardiness or absences.
7. Bomb Threats – Students will not threaten to bomb or damage any District facility or property.
8. Burglary – Students will not enter or remain unlawfully in a District building with intent to commit a crime (including, but not limited to, theft of property) on the premises.

13. Damage to Property and Vandalism – Students will not intentionally cause physical damage to the property of the District, school personnel, or other students. Any student who defaces or otherwise injures school property, or property belonging to a school contractor, employee, or another student, may be suspended pursuant to RCW 28A.635.060. If a student loses or willfully cuts, defaces, or injures property of the District, a contractor of the District, an employee, or another student, the District may withhold the grades, diploma, and transcripts of the student until the student or his or her parents/guardians pay for the damages. If the student is suspended, the student may not be readmitted until the student or his or her parent/guardian has made payment or until directed by the superintendent. When the student and parent/guardian are unable to pay for the damages, the District will provide a program of voluntary work for the student in lieu of payment of monetary damages. Upon completion of the voluntary work, the grades, diploma, and transcripts of the student will be released. The parent/guardian of such student will also be liable for damages as otherwise provided by law.
14. Dangerous Behavior – Students will not engage in behavior which a reasonable person would know creates a risk of injury to another person or property.
15. Defiance – Students will obey the lawful instructions of school personnel.

Gang symbols include the use of hand signals, handwriting, and/or the presence of apparel, jewelry, accessories, graffiti, or manner of grooming which by virtue of its colors, arrangement, trademark, symbol alteration, or any other attribute, denotes membership in a gang.
26. Harassment, Intimidation, and Bullying/Cyberbullying – Students will not participate in, conspire to participate in, or conspire for others to engage in “harassment, intimidation, and bullying/cyberbullying” (HIB) as defined in Policy 3207 and Procedure 3207P. Any exception to this rule requires explicit permission from an appropriate school official.

Pursuant to RCW 9.91.160, persons over eighteen (18) years of age, and persons between fourteen (14) and eighteen (18) years of age who have written parental permission, may possess personal protection spray devices (i.e., mace or pepper spray) on school property. No one may deliver such a spray device to anyone under fourteen (14), or to anyone between fourteen (14) and eighteen (18) who does not have written parental permission. Personal protection spray devices may only be used in self-defense as defined by state law.
