Members absent: Kim Eimers and Theresa Holland Schmidt.
Matt Poinsette, a parent and community member, has applied to be a member and he has been accepted by Glen Robbins and Beth Worthington. He will join for the next meeting.
2. Step 3, Develop a Script, in the Formal Track by Jamie Volmer (see link below). Note the four features of effective scripts: accommodate meetings on varying lengths, never assume that audience has prior knowledge of the topic, stripped of jargon and encourage audience feedback. Discussed the following continuum of what is wanted from the community: understanding, trust, permission and support.
