Goal(s): 1. Success for All Students a. Deliver instruction aligned to Standards

Budget Implication: none

Summary: Regarding the Instructional Materials Committee: Procedure 2020p states that, “Members will be appointed by the superintendent or designee through the district’s committee process. Membership must be approved by the Board of Directors. The chairman and the secretary will be permanent members of the committee. Other members will have three-year terms. Temporary appointments of one year or less may be made to fill vacancies.”

The board approved current members at its January 14th meeting. At that time it was stated that, “Recruitment is still underway to expand representation on this committee. Any new members will be brought to the board for approval at future meetings.”

Below are additional members who have been recruited, and who would like to join for a term of 3 years.

Recommendation: Approve the members listed below.
